

Maintenance Repair and Operations (MRO) – Janitorial:

In 2008, DMB Purchasing Operations will be pre-qualifying vendors to provide janitorial services on a state wide basis. The anticipated release date for this pre-qualification program is mid-to-late March 2008 with a due date of May 2008. This will streamline the bidding process for the 2009 cycle. When the pre-qualification process is initiated, required steps and information will be posted on the web-site.

For informational purposes, the janitorial regions are being reduced from 22 Regions to 7 in order to streamline the solicitation process. The new Regions are:
